RE: Notice of Violation
Falcon Refinery
Superfund CU site
San Patricio County, Texas

A representative of this office inspected the above-referenced site on January 4, 2013, and the following violations of Statewide Rules were noted:

VIOLATION STATEWIDE RULE 20(a)(1) : A reportable crude spill occurred on December 26, 2013, and was not reported by the operator to the District Office by telephone. No follow-up written correspondence was received in the District Office.

Send a detailed letter with a description of the event to the District Office.

STATEWIDE RULE 8(d)(1): At the Falcon Refinery site a crude spill in excess of 300 barrels occurred during December 26, 2012 through January 4, 2013, leaving affected soil on site in a sensitive area.

Pickup, remove and properly dispose affected soil. Horizontal and vertical delineation of crude contamination will be required to include TPH, BTEX, VOC, SVOC, RCRA 8 Metals, chlorides, and additional items required to identify hazardous materials.

We request correction of the violations prior to our file review and inspection scheduled on or after January 15, 2013. Your cooperation in correcting the violations will be appreciated but will not eliminate further Commission action.

Yours truly,

Arnold Ott, P.E.
District Director
